The Junior Golf program at Latrobe Golf Park has been created for children between the ages of 4 and 17 years. All our junior programs have been designed by Australian PGA Professionals who have international experience developing junior golfers and growing the game for over 25 years.

Not only will your child's golf game improve, they will learn important life skills, meet new friends, and enjoy various challenges while having a great time along the way. The SNAG program is open to boys and girls of all skill levels. Latrobe Golf Park provides term clinics, school holiday clinics and all the equipment needed to start enjoying golf!
